

Club 80-90

Club 80-90 is the UK's Largest club for owners and prospective owners of the Volkswagen T25/T3 Transporter model made approximately between 1980 and 1990.

Club membership is FREE and you can expect the following benefits

Regular club events and shows

Discount schemes from major parts and service suppliers

A wealth of information shared between all of the club members

This club is run by like minded individuals who have no affiliation to any organisation

A section of the website is dedicated to individual members and their T25's, pictures, stories and technical help all on offer.

The website offers free classified ads for offers or wanteds, a message board room for asking technical questions or contacting other members and a Syncro section

email membership@club80-90.co.uk to join
email admin@club80-90.co.uk for all other enquiries

Club 80-90 Synchronauts was formed so owners of the 4x4 Syncro T25 variants could experience and learn about driving their T25 off-road. The club is MSA affiliated and all events are safely marshalled and have full public liability insurance

Come to a Synchronauts event and see the Syncros in action!
